## **NOTIFICATION**

Eligible candidates are invited to apply **ONLINE** for a 'Research Associate' position in a DST funded project at KSCSTE-Institute for Climate Change Studies (ICCS), Kottayam, as detailed below.

**Project Title:** "Integrating Hydrology and Agriculture with livelihood issues: Development of Climate Change Adaptation Approaches for sustainable water management in humid tropical Kerala"

The broad objective of the proposed project is to develop a modelling framework that integrates hydrology, agriculture and livelihood issues and to enhance the resilience of Kerala's agriculture to climatic variability and climate change through identification and application of improved production and risk management technologies. The qualifications, the experience and other details required for the position are listed below.

| Sl No. | Designation          | Nos. | Educational Qualification                                                                                                                                                                                                                                                                                                                                           | Age limit      | Consolidated Pay (Rs./month) |
